DETAILED ACTION

Response to Amendment

1. The reply filed on 10/25/04 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicant has attempted to amend the claims in order to change the claimed invention from a concrete pavement; to a process for design of concrete roadways. Because Applicant has already received an First Office Action on the Merits of the claimed pavement; it is improper to change the claimed invention during prosecution. Hence, the claimed invention must remain as a concrete pavement for highways and streets. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Further, the amendment to the claims include substantial errors that would preclude examination if resubmitted in a future response. Some examples include multiple periods "." in claims 5-7.
